A Question of Moral Atheism

# QUESTIONS OF MORAL ATHEISM: INSTRUCTIONS

---

We appreciate your interest in helping us spread information about moral atheism! To make copies of this pamphlet for your own use or to share with friends, follow these simple steps:

1. Print pages one and two of this document, one on each side of the same piece of paper (if you don't have access to a duplex printer, print page one, put the page back in the paper tray upside down, and print page two — depending on the type of printer, you may have to experiment a bit).
2. Cut the printout in two, using the thin rules across the middle of the page as a guide.
3. Fold the two pieces of paper in half, making a pair of small pamphlets.
4. Keep one of the pamphlets to read, and give the other away to an interested friend or stranger.

That's it! If you have any questions, suggestions, or comments, we invite you to share them by leaving a comment on [blog.iamanatheist.org](http://blog.iamanatheist.org). Thanks!
